

Easy to use, the belt sander with swivel head allows precise and efficient work. The belt can be rotated 360°, allowing the angle of the sander to be adapted to the working area. The sander can be used for sanding of welds, rust removal, paint...

## ADVANTAGES

- Precise (20mm wide band)
- 360° pivoting support
- Handy and lightweight

## ROBUST AND DESIGNED FOR WORKSHOP USE

- 84dB Low noise
- Good resistance to shocks and falls
- Good grip
