

TELESCOPIC BODYWORK PANEL STAND

Ref. 083882

Compact, sturdy, easy-to-store telescopic trestle table with support heights.

- Load capacity: 120 kg.
- Space-saving (minimum width: 30 cm).
- Ideal for all preparation, painting, drying operations, etc.
- Height adjustable from 85 cm to 120 cm.
- Adjustable length from 30 cm to 100 cm.

1

Height adjustment

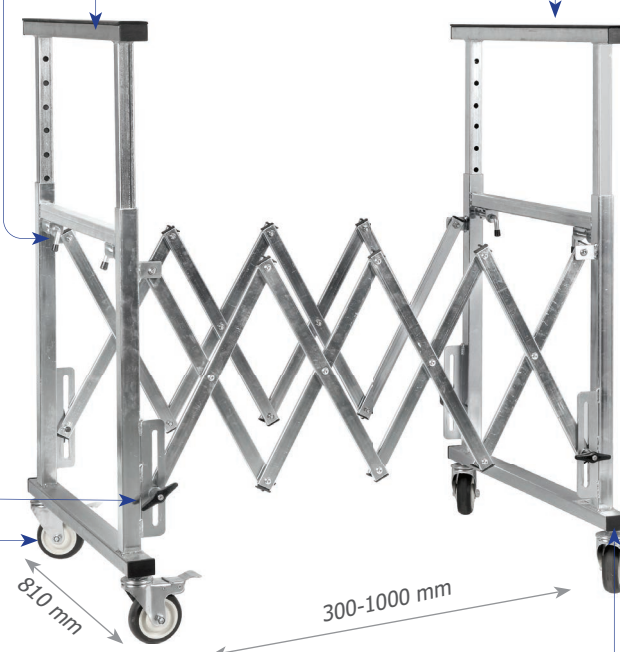

Adjust the height of the arms to suit your use.

2

Support

The cross-beams are protected by a rubber coating to prevent damage to the bodywork components.

3

Bracket spacing lock knob

They provide extra stability and 'stiffen' the frame.

The bracket is also adjustable in length, so you can attach components of different sizes.

4

Rubber wheels

Swivel with brake.

5

Plastic caps

To secure sharp edges.
